

HOME ENERGY
BULK BUY

Save money through the Home Energy Bulk Buy

The Home Energy Bulk Buy is funded by the Southern Tasmanian Councils Authority.

Buy in bulk and cut down on energy costs

Are you thinking about buying a new energy efficient hot water unit, insulation, heat pump or solar panels and live in southern Tasmania? You can save money by joining with others to buy in bulk. Buying in a group means you pay less than if you buy on your own.

Spend less on energy efficient products

Save money on heat pumps, insulation and LED lighting, solar PV systems and efficient hot water systems.

If you live in Southern Tasmania you can save money on these energy efficient products by joining the Home Energy Bulk Buy.

This can be used in conjunction with the Tasmanian Energy Efficiency Loan Scheme.
