Mayor Michael Kent,
Glamorgan Spring Bay Council,
Melbourne Street,
Triabunna, 7190

Dear Michael,

Please find attached 6 page petition requesting urgent action to rectify the deplorable state of Okehampton Road.

Yours sincerely,

JEAN WEEDING

PETITION TO THE MAYOR AND COUNCILORS, GLAMORGAN SPRING BAY COUNCIL

We the residents and ratepayers of Glamorgan Spring Bay Municipality signed below request that Councilors make demand on the Works Manager and staff to immediately progress the repairs to the bitumen surface on Okehampton Road between the two cattle ramps, which has deteriorated to a dangerous state, without these repairs we believe it is only a matter of time before a major incident occurs from the lack of maintenance by Council.

As most Councilors would be aware Okehampton Road is a high use roadway between December through until April.

PETITION TO THE MAYOR AND COUNCILORS, SPRING BAY COUNCIL

As visitors to your Municipality we have travelled on the road known as Okehampton Road, we find this road to be in a dangerous condition and would support any request to have this dangerous section of roadway repaired to a serviceable condition which we believe it falls well short of as safe and useable section for holiday tourism traffic use.
