

Have your say on food trucks & pop-up stalls

Glamorgan Spring Bay Council is reviewing the *Stalls and Kerbside Vendors Policy* and is seeking feedback on all aspects including:

- Is the current limitation to outside town boundaries appropriate?
- Do existing businesses have the capacity to meet peak tourism demand?
- Should Council identify food van precincts in our towns?
- Should the policy specify the types of offerings that are permitted to ensure fit with our regional branding, and complementary offerings to existing businesses that fill obvious gaps in the marketplace?
- Should there be a cash in lieu or other payment applied where existing public car parking spaces are occupied by the licence holder?

The current policy and a discussion paper can be found on Council's website www.gsbc.tas.gov.au/community-projects/community-consultation
