- 2. Grant revenue is up \$177k on budget YTD due to grant funds carried forward from previous year and the change in accounting standard for recognising this.
- 3. Commonwealth Capital Grant revenue is down \$700k on budget YTD due to the timing of grant milestone payments.
- 4. State Government Capital grants is up \$146k on budget due to the carry forward of grant funds from last year and the change in accounting standards on how this is recognised.
- 5. Employee costs are down \$185k on budget for the year to date and is partially offset by contractor costs to cover this work.
- 6. Materials & services are down \$80k or 3% on budget for the YTD. This is mainly due to lower spending on roads materials due to the current focus on capital works projects.

## 7. Officers' Reports Requiring a Decision

#### 7.1 Proposed Date Change – 2020 Annual General Meeting

Responsible Officer – General Manager

#### **ATTACHMENT/S**

Correspondence from Mr Craig Limkin, Director Local Government.

#### **PURPOSE**

The purpose of this report is to:

- Provide Council with recent advice received from the Director of Local Government (the Director) regarding the provision of an extension to the statutory timeframe in which Councils are to hold their Annual General Meetings; and
- 2. To recommend to Council that the 2020 Glamorgan Spring Bay Council Annual General Meeting be rescheduled to February 2021.

#### **BACKGROUND/OVERVIEW**

In accordance with the requirements of S.72 of the *Local Government Act 1993*, a council must hold an Annual General Meeting on a date that is not later than 15 December in each year.

Council's 2020 Annual General Meeting (AGM) is scheduled to be held on Tuesday 15 December 2020 (Council Decision 249/19).

#### **STRATEGIC PLAN**

#### **Guiding Principle**

7. Communicate and explain Council's decisions and reasons in an open and timely manner.

#### **Key Foundation**

1. Our Governance and Finance

#### What we plan to do

Accountable and good governance

#### STATUTORY IMPLICATIONS

- S.72 Local Government Act 1993
- COVID-19 Disease Emergency (Miscellaneous Provisions) Act 2020

#### **BUDGET IMPLICATIONS**

Apart from additional advertising costs, no significant budget implications are identified should Council reschedule its 2020 Annual General Meeting.

#### **RISK CONSIDERATIONS**

It is unlikely that the Tasmanian Audit Office's (TAO) audit opinion would be received in time to allow the Glamorgan Spring Bay Council's 2019-2020 Annual Report to be prepared, reviewed by the TAO, adopted by Council and made available to the public prior to the Annual General Meeting and in accordance with the relevant legislative requirements should the 2020 Annual General Meeting proceed as scheduled on the 15 December 2020.

#### **OFFICER'S COMMENTS**

Ideally the Tasmanian Audit Office's (TAO) audit opinion would be received at least one month prior to the finalisation of Council's Annual Report. As Council's AGM is scheduled to be held on the 15 December and in order to meet this timeframe, it would be necessary to receive the TAO's audit opinion, prepare and present the final Annual Report to the TAO for review and then submit the 2019-2020 Annual Report to Council for endorsement at the November Council meeting.

Following Council's endorsement, the Annual Report would then be advertised inviting the public to make submissions on the document for discussion at the AGM.

As outlined in the attached correspondence from the Director, the *Local Government Act 1993* requires councils to include a copy of the Tasmanian Audit Office's (TAO) audit opinion in their Annual Reports. However the COVID-19 pandemic has caused delays to the TAO's annual local government audit process. At the time of writing this report, the TAO's audit opinion has not been received.

In recognition of the impacts of the pandemic the Premier has issued a Notice pursuant to section 13 of the COVID-19 Disease Emergency (Miscellaneous Provisions) Act 2020, to extend the statutory timeframe under s72B of the Local Government Act by three months. This means that councils will have until 15 March 2021 to hold their 2020 AGMs. The notice was gazetted on 28 October 2020.

Based on the preceding comments and Council's inability to control the delays in receiving the TAO's audit opinion, it is suggested that Council takes advantage of the provision of the extension of the statutory timeframe and holds its 2020 Annual General Meeting on Tuesday 23 February 2021 to commence at 5.30pm following the Ordinary Meeting of Council.

This extension will provide additional time for the receipt of the TAO's audit opinion, the finalisation and review of the Annual Report by the TAO and endorsement of the Annual Report by Council at the January 2021 Ordinary Council meeting, allowing sufficient time for the public to make submissions on the Annual Report for discussion at the AGM on the 23 February 2021.

Should Council agree to reschedule its 2020 Annual General Meeting to 23 February 2021, a notice will be placed on Council's website and in relevant local and state media advising of the change of date and time.

The matter was discussed at the Council workshop held 11 November 2020.

#### **OFFICER'S RECOMMENDATION**

That Council reschedules its 2020 Annual General Meeting from Tuesday 15 December 2020 to Tuesday 23 February 2021 commencing at 5.30pm, details of which are to be advertised as deemed appropriate by the General Manager.

#### Annual General Meetings and Annual Reports

Dear General Manager

As you would be aware, the Local Government Act 1993 (the LG Act) requires councils to include a copy of the Tasmanian Audit Office's (TAO) audit opinion in their Annual Reports. This year however, the COVID-19 pandemic has caused delays to the TAO's annual local government audit process. While the LG Act does not provide an explicit timeframe for the finalisation of Annual Reports, councils are required to invite the public to make submissions on the report for discussion at the Annual General Meeting. Under section 72B of the Act, councils must hold their AGMs no later than 15 December each year.

In recognition of the impacts of COVID-19 pandemic, I can advise that the Premier has issued a Notice pursuant to section 13 of the COVID-19 Disease Emergency (Miscellaneous Provisions) Act 2020 (the COVID-19 Act), to extend the statutory timeframe under s72B of the LG Act by three months. Practically, this means that councils will have until 15 March 2021 to hold their 2020 AGMs. General guidance on convening an Annual General Meeting can be found on the Local Government Division's website. Councils that are in a position to hold their AGMs before 15 December may still do so. The Notice simply provides additional time for this to occur.

I am advised that the Notice will be published in the Tasmanian Government Gazette on 28 October 2020 and, in accordance with section 8 of the COVID-19 Act, will take effect from this date. Once this occurs I would encourage councils to ensure that any reliance on this Notice is appropriately communicated with their local communities.

I would also like to take this opportunity to remind councils of the additional Annual Report requirements that are detailed in regulation 29 of the Local Government (General) Regulations 2015. In particular, the requirement for Annual Reports to provide reasons for any instances of the non--application of a public tender process. Further guidance on the preparation of Annual Reports can be found on the Local Government Division's website.

If you have any queries in relation to this correspondence please contact the Local Government Division either by telephone on 03 6232 7022 or by email to <a href="mailto:lgd@dpac.tas.gov.au">lgd@dpac.tas.gov.au</a>.

Yours sincerely

# 7.3 Proposed Council Office Closure – Christmas/New Year Holiday Period

Responsible Officer – General Manager

#### **ATTACHMENT/S**

Nil.

#### **PURPOSE**

The purpose of this report is to request Council's endorsement of the proposed closure of the Triabunna Council Office over the Christmas/New Year Holiday period.

#### **BACKGROUND/OVERVIEW**

It is proposed that the Christmas/New Year closure period for 2020 is as follows:

- Business closes Friday 18 December 2020 at 4.30pm and re-opens Monday 4 January 2021 at 9.00am.
- Arrangements will be put in place in respect to the taking of annual leave by staff as required.
- Call-out arrangements will also be put in place.

As per Council's Enterprise Bargaining Agreement (2018-2021) section 37 states:

"The three days between Christmas and New Year will be paid as Christmas gratia leave and will not be deducted from an employee's leave accruals. If the employee is required to work on any of these days or part thereof, they are to be taken in lieu."

Therefore the following entitled days will be taken as "Christmas Gratia Leave":

- Tuesday 29 December 2020
- Wednesday 30 December 2020; and
- Thursday 31 December 2020.

As per previous years, a roster system will be developed for the Works staff to ensure essential tasks and emergency work can be carried during this Christmas/New Year period.

#### What we plan to do

#### **RISK CONSIDERATIONS**

No risks are identified in closing the Triabunna Council Office during the Christmas/New Year period.

#### **OFFICER'S COMMENTS**

The proposed Triabunna Council office closure period will affect the scheduled 22 December 2020 Ordinary Meeting of Council, however a separate report is submitted to Council for consideration (*refer Agenda Item 7.2*) with a request that the December 2020 Council meeting be rescheduled to be held on Tuesday 15 December 2020.

Should Council endorse the proposed office closure, the General Manager will advertise the closure via Council's website and appropriate signage.

#### **BACKGROUND/OVERVIEW**

R.4(4) of the *Local Government (Meeting Procedures) Regulations 2015* requires that an ordinary meeting of a council is to be held in each month.

At its December 2019 Council meeting Council resolved that the 2020 Ordinary Meetings of Council would be held on the 4<sup>th</sup> Tuesday of each month commencing at 2.00pm and Special Meetings of Council could be held any time from 2.00pm.

#### **Key Foundation**

Our Governance and Finance

• Local Government (Meeting Procedures) Regulations 2015

#### **BUDGET IMPLICATIONS**

Other than advertising costs, no significant budget implications are identified in Council adopting of the proposed 2021 schedule of Ordinary Meetings of Council and Council's Annual General Meeting as presented.

#### **RISK CONSIDERATIONS**

By not adopting and advertising its schedule of dates for the 2021 Ordinary Meetings of Council and the 2021 Annual General Meeting Council risks non-compliance with the requirements of the Local Government (Meeting Procedures) Regulations 2015.

#### **OFFICER'S COMMENTS**

It is recommended that the 2021 Ordinary Meetings of Council from February to November inclusive are held on the 4<sup>th</sup> Tuesday of each month commencing at 2.00pm in the Council Chambers, Triabunna (subject to COVID-19 restrictions). Due to the public holiday on Tuesday 26 January 2021 (Australia Day) the January Ordinary Meeting of Council could be brought forward to Tuesday 19 January 2021.

It is further recommended that the December 2021 Ordinary Meeting of Council be held on the 2<sup>nd</sup> Tuesday being the 14<sup>th</sup> December and that the 2021 Annual General Meeting be held at 5.30pm on the 14 December following the Ordinary Meeting of Council.

# 7.5 Appointment of Committee Members – S.24 Special Committee of Council – Coles Bay Hall Committee

Responsible Officer – General Manager

#### **ATTACHMENTS**

Expressions of Interest.

#### **PURPOSE**

The purpose of this report is to present to Council the Expressions of Interest received from community members to sit on the Section 24 Committee of Council – Coles Bay Hall Committee for review, consideration and endorsement.

#### **BACKGROUND/OVERVIEW**

On the 12 August 2020 advice was received from Ms Jen Hackett that she had resigned from the Coles Bay Hall Committee which was followed by advice received on the 3 September 2020 that Mr Mark Kelly had also resigned from the Coles Bay Hall Committee. An email was also received from Mrs Jenny Logie on the 14 September 2020 advising that Mr David Logie had resigned as Chair and member of the Bicheno Hall Committee.

#### STRATEGIC PLAN

#### **Guiding Principle**

2. Reinforce and draw on the strengths of our communities at both a local and regional level

#### **Key Foundation**

2. Our Community's Health and Wellbeing

#### What we plan to do

 Create an informed and involved community by developing relevant and accessible communication channels.

#### **STATUTORY IMPLICATIONS**

Local Government Act 1993

#### **BUDGET IMPLICATIONS**

No budget implications are identified in the endorsement of the Expressions of Interest to sit on the Section 24 Committee of Council – Coles Bay Hall Committee.

#### **RISK CONSIDERATIONS**

By calling for and endorsing Expressions of Interests from community members to sit on the Coles Bay Hall Committee and the Bicheno Hall Committee, Council has complied with the *Glamorgan Spring Bay Council Guidelines for Section 24 Special Committees of Council* and therefore any risk to Council is considered minimal as due process has been followed.

#### **OFFICER'S COMMENTS**

Following the receipt of the advice of the above resignations and in accordance with the *Glamorgan Spring Bay Council Guidelines for Section 24 Special Committees of Council* (the Guidelines) an advertisement was placed in the Great Oyster Bay Community News and a notice placed on Council's website calling for Expressions of Interest (EOI's) from interested members of the community to sit on the Coles Bay Hall Committee and the Bicheno Hall Committee. Submissions closed on 30 October 2020.

Four EOI's were received from community members to sit on the Coles Bay Hall Committee, copies of which are attached to this report.

No EOI's were received in respect to the Bicheno Hall Committee.

Whilst those community members who have submitted an EOI to sit on the Coles Bay Hall Committee have informally been accepted by the Committee as members, the Guidelines stipulate that Council has the final responsibility for determining the membership. Therefore the EOIs are presented for Council's formal endorsement. It should be noted that including the community members that have submitted an EOI, the maximum of 11 members on this Committee has not been exceeded.

These individuals have indicated their willingness to be an active member of the community and each has a set of relevant skills, interests or expertise they will bring to the Committee. It is therefore recommended that Council endorse the following four Expressions of Interest received to sit on the Section 24 Special Committee of Council – Coles Bay Community Hall:

- Kerrie Dean
- Kathryn Whitchurch
- Barbara Barrett
- Kristin Hoerlein

Due to the resignation of Mr Kelly from the Coles Bay Hall Committee, Mr Nigel Carins (already a member of the Coles Bay Hall Committee), has been elected as Chair by the Committee. Mr Carins has accepted the role and has submitted an EOI, copy of which is also attached for Council's endorsement.

With respect to the Bicheno Hall Committee, it would seem appropriate that Council awaits further advice from the Committee in respect to its ongoing membership and the election of a Chair to that Committee.

This matter was discussed at the Council Workshop on 11 November 2020.

#### **OFFICER'S RECOMMENDATION**

That Council:

- a) Accepts and endorses the following four community members to sit on the Section 24 Special Committee of Council Coles Bay Community Hall:
  - Kerrie Dean
  - Kathryn Whitchurch
  - Barbara Barrett
  - Kristin Hoerlein; and
- Accepts and endorses the Expression of Interest received from Mr Nigel Carins and acknowledges his appointment as Chair on the Section 24 Special Committee of Council

   Coles Bay Community Hall; and
- c) The General Manager writes to the individuals outlined above thanking them for their interest and commitment to the Coles Bay community.

# 8. Notices of Motion

# 8.1 Notice of Motion – Clr Michael Symons

#### **BACKGROUND/OVERVIEW**

At the June OCM, Agenda item 7.11 dealt with the Recreational Boating Fund application to Marine and Safety Tasmania (MAST) for an extension to each of the two jetties at the Bicheno Boat Ramp.

Extract from Council Agenda – 23 June 2020:

#### **BACKGROUND/OVERVIEW**

A Recreational Boating Fund application to Marine and Safety Tasmania (MAST) had been submitted by the public for an extension to each of the two jetties at the Bicheno Boat ramp. (Ariel map attached).

The application for funding has been approved by MAST to upgrade these jetties and construct the extensions.

The existing jetties and boat ramp are owned and maintained by the Glamorgan Spring Bay Council (Council).

The primary purpose for the extensions is to increase boat-holding capacity while trailers are parked and retrieved and to ease congestion at the ramp. The left hand landing stage (the subject of the main extension) was built in 2004. Therefore, an upgrade and extension is timely to keep the landing in a sound, working condition.

MAST have asked if the Council is happy for these works to proceed and will Council lodge and cover the costs of the planning application to enable these works to go ahead. This planning application would be discretionary.

If approval on both counts is given, MAST will progress to completion of construction detailed drawings.

#### **BUDGET IMPLICATIONS**

MAST will fully fund the construction; Construction at this stage is estimated at \$110,000 Cost of the Planning application will be \$825.00.

Council funds the ongoing maintenance of all jetties.

The amount varies depending on the damage and general wear and tear.

#### STATUTORY IMPLICATIONS

Nil.

The following motion was put and Lost 4/4:

#### **DECISION 220/20**

Moved Clr Michael Symons, seconded Deputy Mayor Jenny Woods that Council:

- (a) Approve in principal the request by Marine and Safety Tasmania for these works to proceed; and
- (b) Agrees to lodge and cover the costs for the Planning application to extend the jetties

#### THE MOTION WAS PUT AND LOST 4/4

For: Clr Grant Robinson, Clr Michael Symons, Clr Cheryl Arnol, Deputy Mayor Jenny Woods Against: Mayor Debbie Wisby, Clr Rob Churchill. Clr Keith Breheny, Clr Annie Browning

This is an opportunity to fund the required extension to the two jetties that Council should not miss. It will provide funds to undertake the work and provide a much-needed upgrade to the two jetties for our recreational boating public.

I believe decision 220/20 should be rescinded and the matter progressed on a new motion.

#### Moved Clr Michael Symons, seconded

That Council rescind by absolute majority decision 220/20.

If the rescind motion is successful, then I intend to move the following motion:

#### Moved Clr Michael Symons, seconded

#### **That Council**

- (a) Approve in principle the request by Marine and Safety Tasmania for these works to proceed; and
- (b) Agrees to lodge and cover the costs for the Planning application to extend the jetties.

#### **GENERAL MANAGER'S COMMENTS**

In accordance with the requirements of R.18 of the *Local Government (Meeting Procedures) Regulations 2015* the following comments are made in support of Clr Symons' motion:

Further to the above matter being discussed at the Ordinary Council Meeting held on the 23 June 2020 as outlined by Clr Symons, Council further resolved at its Special Meeting held on the 6 July 2020 to:

- a) Write to MAST requesting that MAST consider taking over ownership of the boat ramps and associated jetty assets including maintenance, liability and associated depreciation costs of same, or at a minimum, and
- b) MAST formally agree to replace boat ramps; and associated jetty assets to reduce Council's depreciation costs and provide additional funding to cover ongoing maintenance and liability costs.

The Acting General Manager at time wrote to MAST on 30 July 2020 advising them of Council's decision.

The following response was received from MAST on the 18 August 2020:

18 August 2020

Ms Marissa Walters Acting General Manager Glamorgan Spring Bay Council PO Box 6 TRIABUNNA TAS 7190 admin@freycinet.tas.gov.au

Dear Ms Walters

Reference is made to your letter dated 30 July 2020 in relation to boat ramps and jetties within the Glamorgan Spring Bay Council area.

As previously advised, by letter dated 1 July 2020, there are over 400 boat ramps around the coast of Tasmania. The vast majority are owned and managed by local government by way of lease or licence with the Crown, many of which predate MAST. Only 17 of these are directly managed by MAST and were inherited from the former Marine Boards and other government agencies on MAST's formation.

MAST maintains an Asset Management Plan for its facilities. This plan incorporates the Board's policy position relating to facilities that other organisations may wish to divest. The Board will not consider accepting such facilities unless those facilities are predominantly used commercially and sufficient funding for their management and maintenance is provided via an increase in MAST's Treasury appropriation. The policy also states that eventual replacement of such structures would need to be funded by Government through the Capital Investment Program (CIP).

As a result, MAST will not consider taking ownership of boat ramps and associated jetties within your municipality, nor will it formally commit long term to replacing them. The Board reiterated this position at a meeting on 14 August 2020 and also noted its disappointment at the recent criticism directed at MAST in Council meetings.

Through the Recreational Boating Fund MAST has worked collaboratively with local government for over 20 years to maintain, upgrade and replace facilities in accordance with engineering standards through the Recreational Boating Fund. Over this time, MAST has provided \$2951 970 to upgrade and improve boating facilities in your municipality. MAST will continue to work collaboratively with Glamorgan Spring Bay Council to assist with upgrading and replacement of facilities where proposals benefit the safety and enjoyment of recreational boaters.

Yours sincerely

Lia Morris
Chief Executive

MARINE AND SAFETY TASMANIA

In recent weeks the General Manager has met with representatives from MAST during which discussion was held in respect to funding still being available to Council through the Recreational Boating Fund should it wish to reconsider its previous decision, particularly in respect to the upgrade of the two jetties at the Bicheno boat ramp.

Council would be expected to agree to and lodge and cover the costs for the Planning application to extend the jetties.

MAST has also advised that should Council proceed with and be successful in its funding application for the upgrade works, MAST would commit to a 12 month defect liability for the jetty extension project. Any defects in regards to the new works will be rectified by the contractor (MAST). It should be noted that materials used in the modern day construction of jetties or pontoons require far less maintenance than earlier construction materials. For example the use of recycled plastic components.

After the 12 month defect liability period, Council will have access to the \$50,000 annual boating registration fund available for routine maintenance of maritime facilities including the Gulch jetty.

Any major structural defects in respect to this project would be dealt with by MAST with Council only involved in routine maintenance.

Council will apply for the funding through MAST.

Should Council support both of Clr Symons' motions, this would result in any previous decisions or part of those decisions on this matter being overturned.

#### **GENERAL MANAGER'S RECOMMENDATION**

Based on the above comments and recent discussions with MAST, it is recommended that Council supports Clr Symons' motions in the interest of providing a much-needed upgrade to the two jetties in Bicheno for our recreational boating public.

#### **Petitions** 9.

## 10. Questions without Notice from Councillors

# Questions without Notice by Councillors taken on notice – 27 October 2020

#### **Deputy Mayor Jenny Woods**

Through the Chair, Deputy Mayor Jenny Woods directed the following questions to the General Manager which were taken on notice by the General Manager:

1. Does the General Manager believe that the Section 24 Committee of Council 'Statement of Expectations' has reached the end of the process set out by its terms of reference and if the General Manager is satisfied by its achievements will he investigate its disbandment for the next meeting of Council in November.

#### Response from Greg Ingham, General Manager

The General Manager is of the opinion that the 'Statement of Expectations' (SOE) Section 24 Committee of Council has served its purpose. Council has adopted an Issue Resolution Policy 6.7 that is read in conjunction with the SOE. All Elected Members and the General Manager have committed to following good governance practices in signing the SOE. Councillor Arnol has verbalised her commitment to the SOE at the September 2020 Ordinary Council Meeting.

The SOE Committee is meeting on the 16 November 2020 to discuss and agree on the Committees future. A report will be included in the December 2020 Ordinary Meeting agenda.

2. Given the amount of time lapsed and inactivity of the Section 24 Committee of Council being the Prosser River Mouth Masterplan Advisory Group and the lack of progression on this and the perceived turmoil the subject has raised in the community again I ask you to investigate the disbandment of this Committee and bring it to our next workshop and consequently the Council Meeting in November for Councillors consideration and decision.

#### Response from Greg Ingham, General Manager

The ongoing viability of the Prosser River Master Plan Advisory Group PRMPAG (the Group) was discussed at a Council Workshop 10 November 2020. Included in the discussion papers was the Terms of Reference for the PRMPAG. A 'Master Plan' has been developed by a member of the Group. The main objective of the Master Plan as per the Terms of Reference, was to facilitate improved shared use and strategic management of the Prosser River mouth area.

There is only one reference in the Master Plan objectives to protecting important bird values within the Orford Bird Sanctuary at the river mouth. The other objectives talk about improved or new assets such as picnic tables, vehicle parking, toilets, boat ramp and trailer parking and walkways.

The crux of the matter and the reason the Group was formed was mainly around the need to protect threatened bird species. This resulted in the recent erection of a fence, separating the backwater at the river mouth (important bird foraging habitat), from public access has divided community opinion. Some in the community want to see the fence removed or at least walking access to the backwater by way of gates restored. The bird watching fraternity want to see the fence remain in place.

It appears that the PRMPAG has become dysfunctional around the TOR objectives as the key issue here is bird protection/human activity co-existence. It is the GM's opinion that there is no middle ground in regards to this matter.

A report will be included in the December 2020 Ordinary Meeting agenda recommending a course of action for the PRMPAG.
