# GLAMORGAN SPRING BAY COUNCIL ANNUAL PLAN 2022/23

### **ABOUT OUR ANNUAL PLAN**

This 2022/23 Annual Plan is the first to be delivered under Councils 10 year Long Term Financial Management Plan. The Plan reflects the challenges and opportunities facing the Glamorgan Spring Bay community. It is a plan that delivers on Councils commitment to financial sustainability and the ongoing journey we are on to achieve this.

To say the ongoing pandemic has presented challenges for Council and the wider society is an understatement. The Glamorgan Spring Bay region has a bright future and Council is working hard for its residents to ensure that we can seize opportunities and navigate the challenges ahead.

We acknowledge that our community has high expectations of Council – in fact Governments at all three levels – to do the right thing and provide quality services. The community has an absolute right to know how their rates are being spent.

Also included are the focus areas underpinned by our five strategic pillars to deliver best value services for the community.

- Our Governance and Finance
- Our Community's Health and Wellbeing
- Our People
- Our Infrastructure and Services
- Our Environment.

The Annual Plan includes;

- 1. Rates increase
- 2. Waste management levy
- 3. Fees and charges
- 4. Projects

Business performance is tracking well and according to plan with the Long-Term Financial Management Plan and Asset Management Plans now in place for over a year. These Plans have assisted in informing our 2022/23 Annual Plan.

The budget estimates for the 2022/23 section of this Annual Plan includes the statement of Council's financial position, cash flow forecasts, capital works program and the loan summary.

We welcome additional funding from the Commonwealth and State Government in support of several significant projects across the municipal area. At the time of writing Council remains engaged with Government and the State Grants Commission in regards to the inequitable distribution of base grant funds to Glamorgan Spring Bay. We are significantly disadvantaged in comparison with all 28 other Councils in Tasmania.

This Annual Plan demonstrates Glamorgan Spring Bay Council's commitment to providing customer focused services that improve the community's wellbeing.

It is a privilege to work in an organisation committed to best practice public service. A Council that that strives for transparency and accountability on a daily basis and provides a positive and clear vision for our collective future.

View of Great Oyster Bay from Swansea Duck Park

## MESSAGE FROM THE MAYOR AND GENERAL MANAGER

It is a pleasure to present the Glamorgan Spring Bay Council 2022-2023 Annual Plan.

To say that the last year again tested our world, nation, state of Tasmania and our local community, would not be an understatement. The COVID – 19 Pandemic put us on a roller coaster: new vaccines spurred optimism, but misinformation and shortages plagued immunization the program roll out across Australia. Throughout all of this Glamorgan Spring Bay residents, some would say the most vulnerable of Tasmania's regions by virtue of our age demographic, demonstrated what can be achieved through their resilience and community spirit.

Challenges also bring out innovation in people and open up opportunities. Our future looks bright as we continue on our improvement journey.

Councils responsibility for the provision of medical practices in our municipality, at Bicheno and Triabunna with little or no assistance from other agencies, much of which needed to occur on the ground to keep our community safe, fell to our Council. We did better than just manage – and this was largely due to the efforts of dedicated staff and the support and collaboration of our community.

Our staff – particularly those on the front line working in our medical practices, museum, maintaining our roads and parks and gardens and those on the front line of customer service have proven time and again their ability to respond and adapt to uncertainty at short notice.

Glamorgan Spring Bay municipal area is experiencing rapid growth with around 360 development applications processed in the last year. We are one the fastest growing municipalities in Tasmania. The trend looks set to continue and Council, as a planning authority, has a responsibility to ensure that our growth occurs in a way that supports our community vision and expectations.

We will continue to advocate at all levels of government for investment to support our growing community.

Council's capital works program is funded primarily from Grants for new works and upgrades, and Council revenue for renewal priorities.

The capital program for 22-23 of \$6.95M is comprised of \$1.41M in renewal works across all infrastructure and \$5.54M in grant funded new works.

\$4.64M new capital projects funded from grants is carried forward as a part of this total.

Total budget for each category are:

Roads and associated infrastructure = \$2,149,600

Parks & Reserves = \$2,897,000

Stormwater and Drainage = \$399,000

Buildings = \$487,636

Marine Infrastructure = \$219.123

Bridges & Culverts = \$436,000

Plant & Equipment = \$364,000

A new Communication and Engagement
Framework has been adopted by Council which
will support better consultation and community
participation in our collective decision making. We
aim, through the Framework, to build upon our
current communication and engagement methods
and activities ensuring consistent messaging across
all platforms. Council is committed to the process
of transparently sharing information and recognize
the benefits that effective communication and
engagement has for building the community's
confidence in Council.

Global unrest has had a significant impact on fuel supply which has resulted in a global increase in fuel costs. Hopefully, reliance on fossil fuel will reduce as we continue our journey to a more environmentally friendly future. Our municipality has an electric vehicle charging station at Swansea with two more proposed this year, one at Triabunna and the other at Bicheno.

Council remains committed to providing ongoing support for our community through its Small Grants Program and events budget. Events supported by Council celebrate and engage local communities and promote tourism to our region. The Small Grants Program provides support to not-for-profit organisations and community groups wishing to undertake activities and community-based programs that involve, engage, and benefit the Glamorgan Spring Bay community.

Mayor Robert Young and General Manager Greg Ingham

The Annual Plan sets out our priorities for the coming financial year and aligns with Councils Community Strategic Plan 2020-2029 and the tenyear Long Term Financial Management Plan. The Annual Plan budget sets Council on a stable and sustainable footing into the future.

The activities and budget set out in this plan will serve us well in our collective vision, wanting Glamorgan Spring Bay to be *prosperous*, *vibrant and inclusive*, *a* place where people want to live, work and visit.

#### **Our Vision**

We want Glamorgan Spring Bay to be:

Prosperous, vibrant and inclusive. A place where people want to live, work and visit.

### **Our Guiding Principles**

We will seek to:

- Balance economic and tourism growth whilst preserving our lifestyle, celebrating our rich history and protecting the region's unique and precious characteristics.
- Reinforce and draw on the strengths of our communities at both a local and regional level.
- Attract and welcome people of all backgrounds, cultures and ages to live in our region.
- Take an East Coast perspective but also acknowledge the differing needs and priorities of each town or area.
- Ensure that our current expenditure and ongoing commitments fall within our means so that rates can be maintained at a manageable and affordable level.
- Draw on the knowledge and expertise of local people and communities in shaping and delivering our initiatives and plans - listening to and taking account of ideas and feedback from residents, businesses and ratepayers.
- Communicate and explain Council's decisions and reasons in an open and timely manner.

### **Key Foundations**

The key foundations underpinning our future success are:

- Sound governance and financial management.
- Cohesive, inclusive and resilient communities.
- The creation of a positive working environment.
- The delivering of high quality, cost-effective infrastructure and services.
- Collaboration with our communities to value, manage and improve our natural resources.

### **Our Elected Representatives**

Mayor – Robert Young

Deputy Mayor – Jenny Woods

Councillor - Cheryl Arnol

Councillor - Keith Breheny

Councillor - Annie Browning

Councillor - Rob Churchill

Councillor - Grant Robinson

Councillor - Michael Symons

FOCUS AREA	2022/23 ANNUAL PLAN ACTION/s	DEPARTMENT
Planned asset renewal expenditure based on agreed asset management plans.	<ul> <li>Deliver Capital Works         Program for the 2022/23 financial year.     </li> <li>Develop the Capital         Works Program for the 2023/24 financial year.     </li> </ul>	Works & Infrastructure Buildings & Marine
Implement a dedicated process to ensure rates and other fees are collected in a timely manner.	<ul> <li>Review the debt collection policy to ensure fit-for-purpose.</li> </ul>	Corporate & Community
Manage cash flow tightly to ensure current liabilities can be paid from unrestricted (available) cash.	<ul> <li>Review cash position         at regular intervals to         ensure adequate actions         are taken to manage         variations to budget.</li> </ul>	Corporate & Community
Set realistic budgets and monitor income and expenditure closely.	Produce regular income and expenditure reporting for review to ensure adequate actions are taken to manage variations to budget.	All Departments
Advocate and lobby effectively on behalf of the community.	<ul> <li>Represent community interests to State and Federal Governments and Agencies.</li> </ul>	Governance
Develop and foster a strong, supportive and respectful organisational culture.	<ul> <li>Develop Benchmarks for measuring Councils WHS performance.</li> <li>Lead by example in promoting Organisation values.</li> </ul>	Governance

# Strategic Pillar 2 | OUR COMMUNITIES HEALTH AND WELLBEING

FOCUS AREA	2022/23 ANNUAL PLAN ACTION/s	DEPARTMENT
Support and facilitate social and community events that promote community health and wellbeing.	<ul> <li>Promote awareness of funding opportunities provided by Council for community health and wellbeing activities.</li> </ul>	Corporate & Community
Work with health professionals to enhance the physical and mental health of ageing people.	<ul> <li>Consult with any health professionals to identify initiatives to enhance the physical and mental health of ageing people.</li> </ul>	Planning & Development
Advocate for reasonable access to primary, secondary and tertiary education.	<ul> <li>Represent community interests to State and Federal Governments and Agencies.</li> </ul>	Corporate & Community
Advocate for adequate healthcare professionals/ providers.	<ul> <li>Explore opportunities with third parties to improve medical services in the area.</li> </ul>	Planning & Development
Advocate for access and coordination of reasonable transport services.	<ul> <li>Represent community interests to State Governments and Agencies.</li> </ul>	Corporate & Community
Encourage and support the arts, cultural activities, programs and events.	Create and promote an online date-book for cultural activities, programs and events to advertise what is occurring in the community.	Corporate & Community
Create an informed and involved community by developing relevant and accessible communication channels.	Conduct a community     survey to determine what     communication channels are     relevant and preferred.	Corporate & Community

### **OUR PUBLIC HEALTH STATEMENT 2022/23**

Section 72(1)(ab) of the Local Government Act 1993 requires Council to prepare a statement that describes the extent to which Council has carried out its functions under the Public Health Act 1997 and the Food Act 2003. This statement is also to outline the resources allocated to public health and the extent to which its goals, objectives, policies and programs in relation to public health met the needs of persons within its municipal area.

Council's Public and Environmental Health program is administered by the Environmental Health section as part of the Planning and Development Directorate. The Environmental Health section is resourced with a Director Planning & Development (qualified Environmental Health Officer), a part time contract Environmental Health Officer and administration/compliance support.

The Environmental Health section administers the following key pieces of legislation – Local Government Act 1993, Public Health Act 1997, Food Act 2003, Litter Act 2007, Environmental Management and Pollution Control Act 1994 and the associated regulations. The key functions of these Acts include:

- Notifiable diseases (food borne illness)
- Public health education and promotion
- Immunisation
- Water quality monitoring
- Places of assembly
- Food safety
- Public health risk activities

- On site waste water management
- Unhealthy premises
- Private burials/exhumations
- Public health & environmental nuisances
- Cooling towers and warm water systems
- Disease prevention and control
- Pollution (air, liquid and solid)

As part of the Glamorgan Spring Bay Council's public health goals and objectives, in 2022/23 the Planning and Development Directorate will seek to:

- Conduct annual school immunisations clinics and promote the importance of immunisation to the community.
- Ensure onsite wastewater disposal complies with the provisions of relevant legislation.
- Undertake routine inspections of food premises, public health risk activities, water carters, primary recreational waters, and private water supplies to ensure compliance with relevant legislation.
- Promptly investigate public and environmental health complaints.
- Maintain an effective analysis program for food, recreational waters and general complaints.
