

Have your say on the 2018-19 budget

The Glamorgan Spring Bay Council is seeking community feedback to assist in the preparation of Council's 2018-19 budget. Your input is important to us as part of this critical decision making and in helping Council meet community expectations.

Careful financial management remains a priority for Glamorgan Spring Bay Council and this process will provide Council with guidance on the community's priorities.

Written submissions are sought from both individuals and community groups and are to be received by close of business on **Friday the 13th of April, 2018**.

Your written submission should include:

- Your name, contact details and where relevant the organization you represent.
- Ideas in order of priority for small capital projects you think would benefit the community. This may also include ideas for the improvement or extension of existing projects or infrastructure.
- Ideas in order of priority for new or improved services to the community, which are relevant to local government's jurisdiction and responsibilities.
- Please provide supporting information and a rationale as to why and how you feel your ideas will benefit the community.

Your budget submissions should be addressed to the General Manager and can be e-mailed or posted: david@freycinet.tas.gov.au or PO Box 6, Triabunna, Tasmania 7190. If you are unable to provide a written submission but would still like to share an idea or proposal please call the Council Office on 6256 4777.
