

Invitation Community Consultation Council's 10 Year Strategic Plan

***Have Your Say
- and help shape the future of Glamorgan Spring Bay***

Over the next few weeks we'll be developing Glamorgan Spring Bay's strategic plan for the next 10 years – and we want to hear **your** thoughts and ideas about what **you** think is most important for Council to address and progress on behalf of our community.

We've arranged four community listening sessions:

Bicheno – 2pm-5pm, Saturday 5th October 2019 at Beachfront Bicheno Conference Room
Swansea – 9.30am-12.30pm, Sunday 6th October 2019 at Swansea Town Hall
Triabunna & Orford – 2pm-5pm, Sunday 6th October 2019 at Eastcoaster Resort
Coles Bay – 9.30am-12.30pm, Sunday 13th October 2019 at Iluka Tavern

You're welcome to come along to whichever session is easiest for you based on location and timing. We do ask that you only attend one session each as we have limited space and time and want to give as many people as possible the opportunity to contribute and to be heard.

The sessions will be run by independent facilitator Graham Flower (Hexagon) to make sure we keep on track, that everyone has a chance to have their say and we capture the key points that emerge from our conversations.

We're expecting that Councillors will want to attend the community sessions to listen to what you have to say - but not to enter into debates with you. After the sessions the Council will meet to consider the key themes and ideas that have emerged and take these into account in developing our 10 year plan.

Please RSVP to confirm your place by contacting **Angela Turvey** by phone **6256 4777** or email **angela.turvey@freycinet.tas.gov.au** so we can make sure we have enough tables and chairs, tea and coffee....for everyone.
