Subject: Resignation of Mayor

Date: 10/07/2020

Statement from the Acting Mayor Jenny Woods

The Glamorgan Spring Bay Council has advised both the Electoral Commissioner and the Director of Local Government of Debbie Wisby's decision to resign as Mayor and as an elected member of Council effective today.

As a result, the current Deputy Mayor Jenny Woods has taken over the role of Mayor in an acting capacity pending an election for the position.

A decision on the date for the election will be made by the Electoral Commissioner. Inquiries about the election process should be directed to the Commissioner.

Council will continue to focus on the best interests of the municipality, working to ensure its long-term financial sustainability and that it meets all its statutory responsibilities.

The day-to-day operations will continue as normal with the next Ordinary Council Meeting scheduled for Tuesday, 28 July 2020.

Finally, I would like to thank Debbie for her service to the local community and to wish her well into the future.
